

# LIFESIZING™

## Simplify and Downsize Your Life

Today many families are geographically dispersed. Due to distance, careers, families, age, there are no children or families members to assist with relocation. Services vary with circumstances and institutions. Some of the services Diversified, Inc. provides can be found to your right.

Remember, you are not limited to these services. An interview with one of our Senior Move Managers will allow us to put together a package that meets your needs.
